Explore DDD is dedicated to:

- Encouraging excellence, sharing, and innovation within the DDD community
- Building awareness of software modeling and design amongst the broader software development community

- Giving back to the local community

A broad variety of topics are covered during the conference. In the talks and hands-on sessions, topics at all levels – beginner, intermediate, and advanced – are presented by our industry expert speakers.

We offer a range of sponsorship packages to fit your needs. As you review the prospectus take special note of the various opportunities to make connections with attendees that each level of sponsorship provides. **Please note that logo placement on all media, onsite banners, the website, and the event videos, are based upon your prompt sponsorship sign up, so don't delay.**
